PTRA Code of Ethics

The position of Manufacturers' Representative is unique in that the Representative is the liaison between the distributor, the original equipment manufacturer, the consumer, and the company represented.

As a power transmission/motion control advisor, the Representative upholds a high professional responsibility to the distributor and the original equipment manufacturer, and at the same time occupies a position of trust and loyalty to the company represented. Only by observing the highest ethical balance can the Representative avoid conflict between these responsibilities.

As a Manufacturers' Representative, it is my responsibility to:

- Hold my business in high esteem and strive to maintain its prestige.
- Keep the needs of my distributors at the forefront.
- Respect my distributors' confidence and hold in trust personal information.
- Render continuous service to my distributors, customers and manufacturers.
- To employ every proper and legitimate means to persuade my customers to use the proper equipment for their application, if known, while strictly adhering to the highest standards of business and professional conduct concerning these recommendations.
- Present accurately, honestly and completely every fact essential to my distributors' and customers' final decisions.
- Perfect my skills and add to my knowledge through continuous thought and study.
- Conduct my business on such a high plane that others emulating my example may help raise the standards of my profession.
- Keep myself informed with respect to my manufacturers' policies, rules and regulations, and to observe them in both letter and spirit.
- Respect the prerogatives of and cooperate with all others whose services are constructively related to mine in meeting the needs of my distributors and customers.

Do you agree to comply with the Association's Code of Ethics? Yes No
